

## Charter

**Kubaho supports creative and innovative Rwandan partners. In return for the visibility provided by the platform, they undertake to comply with this Charter.**

- ✓ They must necessarily be active in Rwanda and registered with RDB (Rwanda Development Board).
- ✓ They must meet and be able to justify at least one of the three basic selection criteria, innovation, social or ecological.
- ✓ They must have access to technology resources that enable them to easily interact with the platform and its users.
- ✓ They undertake to provide us with the necessary elements for their presentation on our platform (logo, text, links, pictures, pdf, etc).
- ✓ They aim to find solutions consistent with sustainable development principles and commit to minimizing their carbon footprint.
- ✓ They market quality products while taking care to maintain the quality of their services at all times.
- ✓ They ensure that the working conditions of all their staff are exemplary and respectful.
- ✓ They remain open about the possibilities of collaborating with our company.
- ✓ They commit to comply with the proposed framework from the time they request one of the platform's functionalities. (job offer, search for investors, etc).
